With so many beauty products out there it is often confusing when looking for the perfect skin therapy. So, listen up! One of the reasons why I am in this role is because I enjoy promoting the best, most effective products and services. And so, it is with great pleasure that I write today about Skin Therapy. Located next door to Maypole at Biggie Best, Skin Therapy offers quality, effective help and advice for your skin and body. As advanced skin care specialists they present a range of therapies using much globally renowned products Environ and Hema. Relax in the hands of an internationally qualified therapist and let your skin benefit from some of the most advanced skin care techniques in the world. Other services are also on offer – waxing, foot and hand treatments, massage, IPL or electrolysis just to name a few. So go on, do yourself a favour. Make the call to Skin Therapy. Or treat someone special to a gift voucher to a dollar value or treatment of your choice.
